The office bearers of Singrauli committee of IMMA will be meeting you time to time to apprise you about the conditions prevailing in the coalfield and for the justices for Mine Managers and for safety during their duty hours.

Indian Mine Managers' Association (IMMA) is professional body functioning at National level in India. IMMA was created with active support of stalwarts of mining industry in 1923 to safeguard the interests of mine managers. Over the years, it has contributed immensely for the cause of mining engineers in general and mine managers in particular.

With its national Headquarters at Dhanbad, IMMA has a broad base of nine branches spread over the country. IMMA is working closely with mining industry, Government, DGMS, CIMFR, Academia and students to further the cause of professional managers engaged in mines. IMMA is represented in several national forums. Some of them are:

- National safety conference (Ministry of labour and employment)
- Standing committee on Safety in coal mines (Ministry of Coal)
- Coal India Safety Board

- National Dust prevention committee
- IMMA Raniganj Chapter is having representation in Tripartite Safety Committee of Eastern Coalfields Limited and we had discussions with Chairman, Coal India Limited to extend this type of representation in other subsidiaries of Coal India Limited.

We also request you to kindly accept the position of CHIEF PATRON of IMMA Singruali Chapter and continue your blessings and guidance.

Thanking You

(K.N. Singh)
