The salient view expressed during the meeting are –

- 1) Shri Anand Prakash : Membership drive is needed to strengthen Raniganj Chapter .
- 2) Shri R.N. Tiwari : IMMA has been raising issues related to mining engineers . Regular meeting should be held by Raniganj Chapter.
- 3) Shri P.K. Singh, Treasurer, Raniganj Chapter : Mining executive should join IMMA . Senior members and office bearers should be present during meetings .
- 4) Shri Ranjiv Kumar Ray, Secretary, Raniganj Chapter : All mining executives in Siduli Colliery have become member of IMMA. Mining executives from all level will be get associated with the Association as Member of IMMA FAMILY.
- 5) Shri S.P. Kairo : Regular meeting should be held in every one or two months .There should be at least one representative from each area of ECL.
- 6) Shri Mondal : Association importance is felt to get support in situations where innocence of an executive is required to be proved .
- 7) Shri V.K. Sah, Jt. Secretary,CC : He narrated about past activities of IMMA (Registered under The Society's Act) and mentioned it as recognized association of Mining Managers in Government file since year 1923. The association associates mining executives in all mining sector and from all levels . It has been raising issues related to mining industry and mine managers before authorities Central government , State government and Mining Companies through table talk , Magazines ,Seminars and representation in various Boards / committee.
- 8) Shri J.P. Singh : All area of ECL will be approached for representative and regular meetings . The next meet is proposed in Mugma Area. He appreciated Shri R.K. Sharma ,President and other (specially retired from service)office bearers that have been serving the next generation through IMMA.
- 9) Sri Niraj Kumar ,GS ,CC :The form of IMMA action has been changing . At present , IMMA has taken the form of Advisory body. Its role and importance has become more creative in view of Privatization of Mines and Mining operation in government sector where job of Mining executive has become more challenging.
- 10) Shri R.K. Singh , Chairman ,Raniganj Chapter: IMMA is a right platform to share our experience. Communication from members to office bearers is must for an Association. Whatsapp group is helpful. All mining accidents / incidents place should be approached by IMMA to know about facts and be conversant for remedial measures by a mining executive. Mining executives should be proactive to strengthen IMMA . He quoted that there has been more loss by inactiveness of gentle persons than activeness of Bad elements. He also expressed that one should learn from its older.
- 11) Shri R.K. Sharma, President , CC : He advised all mining executives to participate in IMMA activities for their career growth . IMMA is helpful for them . The importance has increased in current scenario where a number of Rules & Regulations besides the common like The Mines Act , CMR , Mine Rules etc. Due to lack of knowledge and skill about new rules regulations or situation , they may be trapped by Vigilance or other agencies. The facts in favor of Justice with a mining executives is put forward by IMMA as have been done in past . He quoted recent accident enquiry of Rajmahal OCP. Further he suggested about extension of Raniganj Chapter's committee in next meeting going to be held in Mugma Area.

At , last Sri Tiwari gave vote of thanks and the meeting came to end.
